Re: U.S. Patent
No. 4,100,536

Dear Senator:

I recently received a patent
on a Bio-Alarm Security System
which I feel would be of
potential interest to the CIA.
I would greatly appreciate it if
you could provide me with the
name, address and phone number
of the person in that agency to
whom I would appropriately
address such an inquiry.

Thank you.

Sincerely,
Thomas S. Ball, Ph.D.
